Counseling appointment? We can help!

Magellan is here to help. Availability can be a challenge and when that happens, your request within a day or two and schedule an appointment. There are times when appointment requests need to be handled urgently, providing a valuable resource for support and information. EAP also provides support for managers and supervisors dealing with workplace issues. Most importantly, confidentiality is the hallmark of the program!

EAP continues to evolve, and there are more services and ways to access than ever before. We are excited about how far we’ve come and anticipate that EAP’s reach will continue to grow.
