Team Building: Strategies for Leaders

EAP Training Event

Thursday,
April 18, 2024

10:00 - 11:00 a.m.

Training Description

Creating teamwork can be challenging. Simply calling a group a team doesn't make it so. In this interactive training, supervisors and managers will learn the differences between workgroups and teams, team building strategies, how to identify their team's areas for improvement, how to set goals for change and continuous team building and leadership skill development.

Learning Objectives

- Understand what a "team" is
- Review strategies for strengthening your team
- Share additional activities and resources for continuous team building and development

On the day of the event, scan the QR code to access the live webinar.
